Dear Shri Bhushan,

We have received a request from the Princess Srinagarindra Award Foundation of Thailand for nomination of either an individual registered nurse and/or registered midwife or a group of registered nurses and/or registered midwives for the Princess Srinagarindra Award for the year 2022. The award was instituted in the year 2000 during the centenary celebrations of the late Princess Mother Her Royal Highness Princess Srinagarindra Mahidol of Thailand [mother of late King Rama IX and grandmother of the current King of Thailand, His Majesty King Maha Vajiralongkorn Bodindradebayavarangkun (Rama X)]. The Princess Mother herself was a nurse before she married Prince Mahidol and became a part of the royal family of Thailand. Her contributions in the area of socially disadvantaged groups and in public health won her great respect and regard among the people of Thailand.

The letter received from the Foundation as well as details of the award and the nomination form are forwarded herewith. Dr. Sulochana Krishnan from India appears to have been conferred the award in 2003.

I would strongly recommend nomination of an Indian nurse/group of nurses for this prestigious award who may have done exemplary service particularly during this difficult Covid-19 pandemic period. The last date for submission of nomination is **May 31, 2022**.
